

If you are camping at the Primitive Campground, take Arnold Road to the creek crossing on your left, up Boy Scout Hill, **through** the Boy Scout Campground almost to Buckner-Tarsney Road. There is a trail on your right that parallels Buckner-Tarsney - makes a circle back to Arnold Road.

You can cross Arnold Road and go north to Hammond Road. You can then ride a trail that parallels Hammond Road, back to Brown Road and back to the primitive campground.

January 11, 2011 - Our boarders ride year around.
